Dear Sisters and Brothers,

With much faith and hope, I continue to pray that this letter finds you and your family safe, healthy, and well.

The long hot days of summer are slowly getting shorter and shorter and soon will be gone and hopefully will take this coronavirus with it. But, in the meantime we are still battling this deadly virus day after day.

Recently our MWGM, Sister Marianne, shared with us her thoughts and concerns, and I agree totally with her. Therefore, I conferred with the other elected Grand Officers and members of the Jurisprudence Committee, and it was decided for the safety and best interest of our members that we will continue to remain closed until further notice. Any upcoming social events or meetings that may have been scheduled on our calendar through December are cancelled at this time. You will receive information at a later day regarding our 2nd Business and Planning meeting that should be held in November as these reports will be done again by email.

Worthy Matrons and Secretaries, please keep in contact with your members to be sure they are updated and informed of changes and cancellations due to this virus. I urge you to also check on our shut-ins as they may be in need of someone to just talk with.

Sisters and Brothers, as we continue the battle of this coronavirus, I will continue to monitor it daily and will keep you updated on any changes that may need to be done.

Stay well and safe until we meet again and may each of you keep the faith, hope, love and peace within.

Blessings of Love
Tina Spier
